S89 Digesting World Politics : analytical review of high-profile developments in international affairs / S. Strokan, V. Mikheev. – Moscow : Астрея, 2016. – 365 p. – (Russia beyond the headlines, The best of «Troika report»).

Russia Beyond the Headlines is proud to present the wrap-up of its weekly analytical program "TROIKA REPORT", featuring a look at high profile developments in international affairs.

The reviews encompass geopolitical stories, which made the headlines in 2015, and are stratified into three sections: Engaging the West, Globally Speaking and Going Eastward.
