The National University of Science and Technology "MISIS" would like to invite you and your colleagues to participate in the Annual International Conference '***English for Specific and Academic Purposes and English as a Medium of Instruction in the Context of Internationalization of Higher Education'.***

The 5th anniversary conference is held in the framework of the ***Times Higher Education Research Excellence Summit*** and in cooperation with ***Cambridge University Press***.

Dates: **November 7-8, 2018**
Venue: 4 Leninsky Prospect, Moscow, NUST "MISIS"

This year's special focus is dedicated to the impact of cognitive mechanisms on the language and research in education. We are calling for talks and posters which may relate to the following aspects of cognitive sciences, teaching practices and English and Russian languages broadly and invite speakers to contribute to one of the sections below:

- Cognitive Mechanisms for Enhanced Language Teaching
- The Future of ESP in Higher Education Setting
- Innovation Technologies in Teaching English

A special feature of the conference is the student poster section called 'Young Voices' for Bachelor and Master students training to become ELT practitioners. We welcome young academics to join in and share their ideas with more experienced colleagues, which will give them a good start in their professional career.

Our keynote speakers and special guests of the Conference include:

- Andrej A. Kibrik (Russia, Director of Institute of Linguistics, Russian Academy of Sciences)
- Eun Gyong Kim (South Korea, Professor for the School of Humanities and Social Sciences at Korea Advanced Institute of Science and Technology (KAIST))
- Magnus Gustaffson (Sweden, Chalmers University of Technology, Head of Language and Communication Division)
- Olga Capirci (Italy, Senior researcher at the CNR's Institute of Cognitive Sciences and Technologies, Coordinator of the Action, Gesture, and Sign language (AG&S) Research Unit)
- Irene Clark (USA, California State University, the Director of Composition in the English Department, the Director of the Master's Option in Rhetoric and Composition)
- Karen Ottewell (UK, Director of Academic Development & Training for International Students, University of Cambridge)
- Mark Ibbotson (UK, author of Cambridge English for Engineering, Professional English In Use – Engineering)
