Business and Government / ed. by David Coen and Wyn Grant. - Cheltenham ; Northampton : An Elgar Research Collection, 2016. - XXII, 920 p. - ISBN 978-1-78347-305-2.

This comprehensive volume brings together the key articles on relations between business and government from a variety of perspectives and disciplines. The editors have selected works that explore the themes of business and the state, organizing the firm for political action, managing government affairs, lobbying models, business governance and regulation, comparative business– political systems and internationalization and transnational business regulation.

With an original introduction by the editors, this volume is an essential resource for scholars, students and policy makers interested in political science, business studies and economics.
