MGIMO RANKING OF RUSSIAN REGIONS 2026

Assessing Progress towards the Sustainable Development Goals

Project History

2022

59 indicators

The MGIMO Ranking of Russian Regions by SDG Achievement Indicators, based on UN methodology, 59 indicators from 2021 national statistics, and preparation of the report

2024

130 indicators

The MGIMO Ranking of Russian Regions by SDG Achievement Indicators, based on UN methodology and 130 indicators from 2023 national statistics, and preparation of the report

2025

139 indicators

SDG 14 included in the Ranking for the first time, along with heat maps for each indicator and dashboards. Methodology aligned with the SDSN Sustainable Development Report (SDR)

2026

151 indicators

The overview of best practices by Russian regions in achieving SDGs, focusing on transferable solutions. Strengthening of the MGIMO 2026 Ranking methodology

Project Team

Dr. Capitolina Tourbina

Head of Risk Management and Insurance department MGIMO; Academic Director of the MGIMO Centre for Sustainable Development

Dr. Alexey Borisov

Vice-President of the World Federation of UN Associations; First Deputy Chairman of the United Nations Association of Russia; Head of the UNESCO Centre at MGIMO

Dr. Igor Yurgens

Professor, Director of the MGIMO Centre for Sustainable Development and ESG Transformation

- **Evgenia Kondrakhina**, Advisor; Chair of the Commission on Sustainable Development and Ecology, UNA-Russia
- **Alexey Kolokoltsev**, Master's programme "International Insurance and Risk Management", Faculty of International Economic Relations'2023
- **Eva Prokofieva**, Master's programme "International Insurance and Risk Management", Faculty of International Economic Relations'2023
- **Polina Galash**, Master's programme "International Insurance and Risk Management", Faculty of International Economic Relations'2023
- **Uliana Kartseva**, Master's programme "Risk Management in the Modern Economy", Faculty of International Economic Relations
- **Zhanna Berman**, Master's programme "Risk Management in the Modern Economy", Faculty of International Economic Relations
- **Margarita Elikishvili**, Master's programme "Risk Management in the Modern Economy", Faculty of International Economic Relations

Methodology reviewed and endorsed by UNA-Russia and the RAEX Europe rating agency

Key Features of the Project

Data

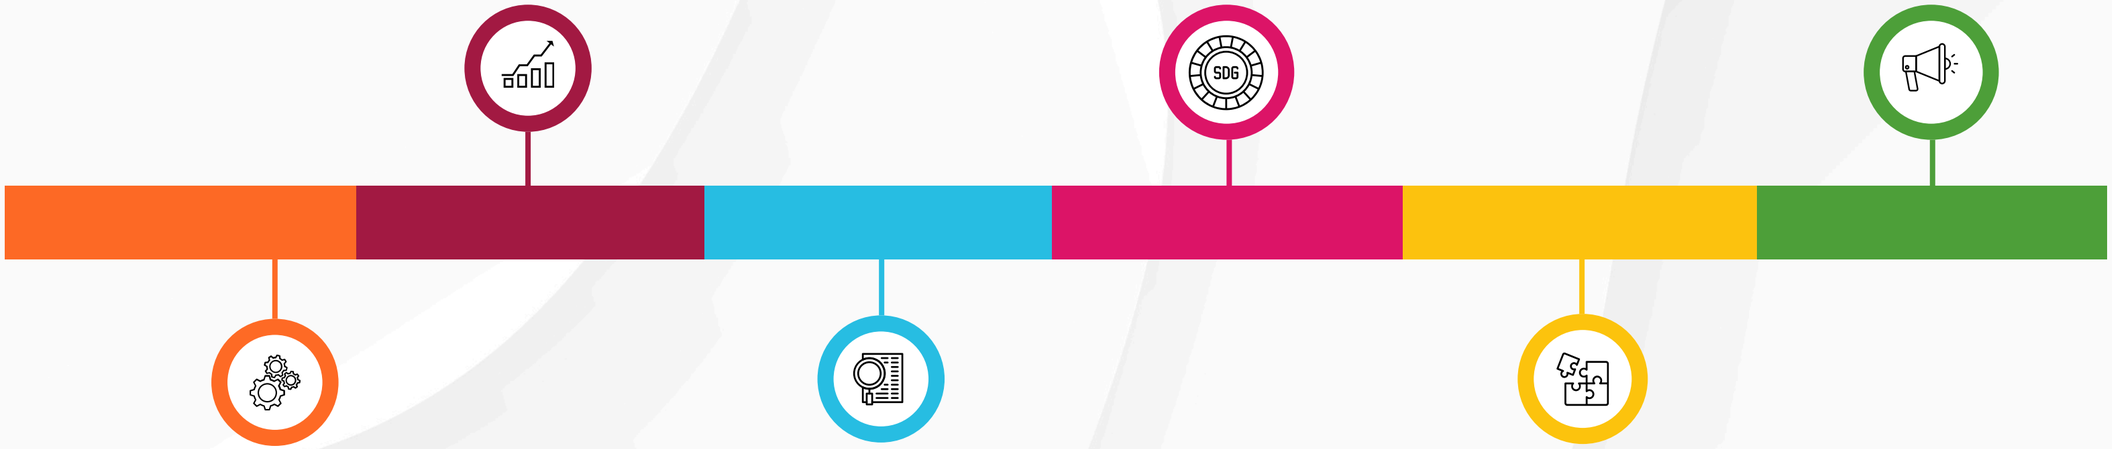

Official Russian statistics for 151 indicators, which are also featured in the annual UN SDG country report

Time Coverage

2023–2025. Reports and indicators for previous years are available at https://ranking.mgimo.ru

What's New in 2026

A review of best regional practices in achieving SDG targets and a strengthened methodology

Core Methodology

Based on the assessment of SDG progress by UN Member States in the Sustainable Development Report SDSN

Assessment

Russian regions are assessed on their progress towards each of the 17 UN SDGs: each region receives indicator-level scores and a rank

Clusters

The report presents each region's position in the overall ranking and in four analytical clusters: Institutional, Social, Economic and Environmental

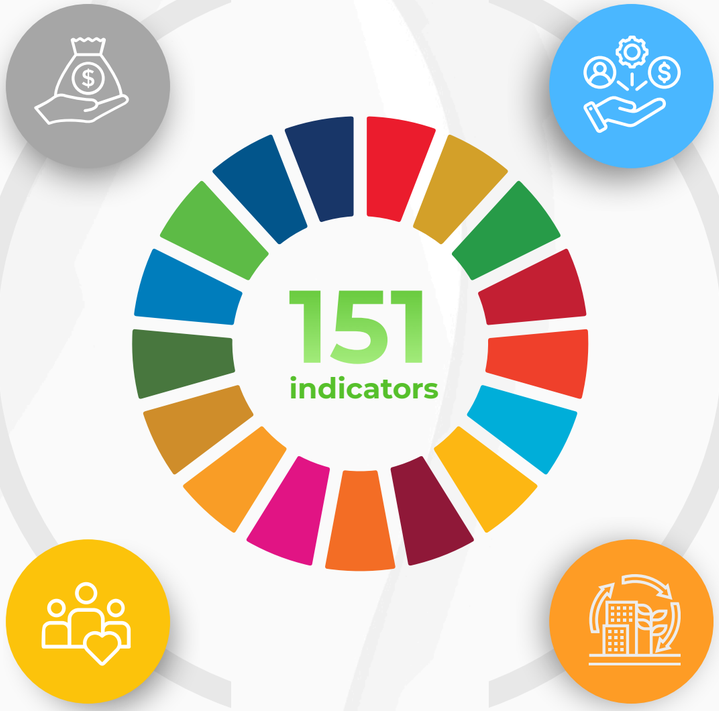

Analytical Clusters

Economic Cluster (48)

- SDG 7 - 6 indicators
- SDG 8 - 10 indicators
- SDG 9 - 16 indicators
- SDG 11 - 10 indicators
- SDG 12 - 6 indicators

Social Cluster (44)

- SDG 3 - 30 indicators
- SDG 4 - 11 indicators
- SDG 5 - 3 indicators

Institutional Cluster (27)

- SDG 1 - 5 indicators
- SDG 10 - 4 indicators
- SDG 16 - 13 indicators
- SDG 17 - 5 indicators

Environmental Cluster (32)

- SDG 2 - 7 indicators
- SDG 6 - 7 indicators
- SDG 13 - 11 indicators
- SDG 15 - 6 indicators
- SDG 14 - 1 indicator

The ranking includes only regions with data available for more than 80% of the indicators assessed

The MGIMO Ranking of Russian Regions by SDG Achievement Indicators 2026 – Overall Ranking

Moscow	1	53,87
Republic of Tatarstan	2	53,01
Saint Petersburg	3	51,97
Voronezh Oblast	4	51,44
Moscow Oblast	5	50,87
Tula Oblast	6	50,46
Belgorod Oblast	7	50,08
